Mario briefly spoke how he was in disagreement with TOT trying to recruit schools from us. He also commended Bea Carranza, Treasurer for representing our Chapter at the RGV Athletic Directors Meeting in McAllen. He spoke about mileage, everyone has to claim on pay sheet, even if two officials travel together both get mileage. No one no longer has the option, this is a UIL rule; he also mentioned that mileage fees should be charged during tournaments. Mario also emphasized that “No one is guaranteed games” and mentioned that our assigner is doing a good job spreading them out and we do not have to post assignments. He also stressed that if an official is not in compliance, there are no games. He went over uniform policy and mentioned the small group trying to take over the charter schools. Any official can work these games as long as it does not a conflict with any assignments in our chapter and a TASO uniform is not used. Jose Herrera, Assigner mentioned that he has sent our request to Charter Schools and will travel to San Antonio to meet with them to discuss recruiting their schools. Mario Reyna agreed that would be good and to please keep him updated. He asked if anyone had any comment or questions, no one replied, he thanked the chapter and left at 6:38 P.M.
