- V. **Assigning Secretary, Jose Herrera** was given the floor covering; arriving on time to games, stating he has received a couple of calls from coaches, 5 minutes before game start stating no officials are present. Reminded everyone to communicate with your co-official. He went over accepting/not accepting assignments, R2 duties on mimicking the R1. Do not mimic net serve, serve under the net, he also went over net signal and in play under net – signal is point to center line. Time out are 1 minute and injury is 30 seconds, after 30 seconds –Good Samaritan rule. He mentioned illegal substitution is now a yellow card, do not be afraid to use the yellow card. If you catch it before or after the serve, serve point lost and ball. Bea Carranza mentioned R1 came off the stand to check on scoreboard and sat at the score table to check the book, this should be done by the R2. Veronica Alaniz asked if the R1 can over-rule the line judge. Joe answered yes, and we are supposed to carry flags as part of our equipment. Joe then brought up the BI-Laws, we needed to vote on the changes that were sent to everyone through e-mail. 1st change is to include Hidalgo and Star Counties in our coverage area. 2nd change is to include communication through text message, 3rd change past president’s attendance only upon board request 4th change attendance 73% to 70% and the 5th all members including board need to address the whole board to request an excused absence through e-mail. Julio Rodriguez recommended, if someone is under 70% maybe we could assign them to do lines at varsity matches. There was a small discussion, but it was determined that there would or might cause confusion with the school on paying line judges. Joe also addressed the chapter on text messages he receives about not getting assignments. Tommy Bermudez motioned to approve BI-Laws, Raul Cano second the motion, vote taken – 32 approve – 2 oppose – Motion passed.

- VI. Tommy Bermudez motioned to adjourn, Seconded by Raul Cano meeting adjourned at 7:08PM

Respectfully Submitted,

Bonnie Salazar
