R1, R2 Duties were reviewed; also Joe mentioned that the officials are there to officiate the game not to determine how long warm up time should be, or decide if the deciding set goes up to 15 or 25. Officials must adhere to what is specified in the District plan, unless coaches are in agreement of changing any stipulations. All of this should be taken care of during the pre-game conference. There was a very productive discussion amongst all members present on different game situations and calls that they had experienced personally. Once again, prolonged contact and multiple touches were discussed. Elizabeth clarified some mechanics, points of emphasis and rules.
  
- VI.** Juan A. Gonzalez motioned to adjourn, Seconded by Cesar Castañeda, meeting adjourned at 7:03 PM

Respectfully Submitted,

*Jose M. Herrera II*
